Tuesday 5th January 2021

Dear Parents/Carers,

Following the announcement by PM Boris Johnson this evening, school will be closed to **ALL** children tomorrow. This late decision has made it incredibly difficult for us to put in place safe provision for our children and staff whilst providing learning for those at home at such short notice.

At this point, the information provided to schools is limited although we are expecting further guidance from the government in the morning. We will share more information with you as soon as we can particularly around how home learning will work and our systems for welfare and safeguarding.

Tomorrow morning, class teachers will contact you via telephone. They will be gathering information from you to confirm what devices you have at home for remote learning and how you access the internet. Please be aware that these calls may come from a 'withheld number'. During this call, we will also confirm if you are a key worker.

Staff have worked tirelessly during the pandemic and like you are disappointed that we are back into a lockdown. Safety is our top priority and we want all our families to stay safe and well during these difficult times. Should you need to contact us in the meantime, you can reach us on admin@grovehouseprimary.co.uk

I would like to thank you for your ongoing support during these difficult times.

Yours sincerely,

L E Clapham

Miss L Clapham
Interim Executive Head
