## **Christmas Donation**

Dear Parent/Guardian,

We all love to give, and the children and parents at Grove House Primary are no different and, in fact, are amazingly generous. After the success of the Harvest food collection for the food bank, we have decided to try and help another local charity.

**Bradford Nightstop** has been providing accommodation for homeless young people in the homes of **vett**ed and trained volunteers for over twenty years. Homeless young people are prevented from rough sleeping until their longer term solution is resolved. One night at a time, they are offered a place of safety with a room of their own, transport, meals, basic essential supplies, washing facilities and support to their next step.

The charity rely on donations and this is where we need your help! With it now being winter time and so cold, the charity need supplies to share with the young people. They are asking for donations of:

- Toiletries – deodorant, shower gels, sanitary products, tooth brushes, tooth paste
- Socks (new)
- Hats, gloves and scarfs
- Underwear (new – male and female)

We thank you for your continued support and look forward to helping more of our community, together.

Yours sincerely,

L Clapham  
Head of School
