Friday 7th February 2020

Dear Parent/Carer,

As you know, we have been working to review and improve our curriculum experience for our pupils. We now have some exciting news to share!

From Monday 10th February, our school library will be open to the children on a Tuesday, Wednesday and Thursday morning from 8.30am and after school until 3.30pm. Children from any class in school can take this opportunity to visit our library and change their book.

An adult from school will be there to offer support and guidance in selecting an appropriate book to read however, parents are welcome to come in and help too. We of course do not have room for everybody at once so if you do want to come in with your child, we ask that you come in via the front door and collect one of our library passes.

We hope that by opening the library both before and after school, it will give children the opportunity to change their book more often and enjoy our library space. We have bought hundreds of new books recently and we would love you to enjoy them together at home.

Kind Regards

Miss L Clapham
Head of School
