

6.10.2020

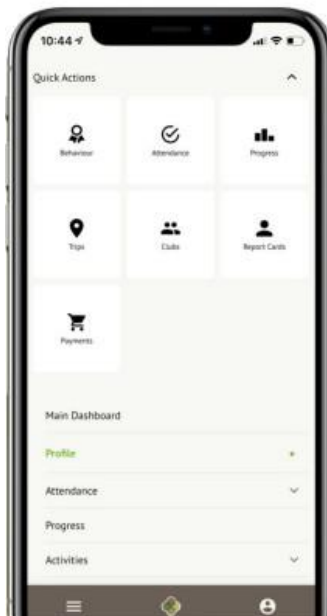

The Arbor App is here!

We are going to start using the **FREE** Arbor App for communication, trip payments, clubs and parent consultation evening appointments. Make sure you download and install the app to keep up to date with everything happening at school!

**Get live updates
from the school**

**Access all of your
info in one place**

To login into the Parent Portal for the first time and view your child's dashboard, you will need the email that will come from school tomorrow. This email will confirm your username (your email on school record) On your first login only, you will need to enter your child's date of birth to access the dashboard.

You will be able to view your child's attendance and contact details. Once clubs are back up and running you will be able to book places on the after school clubs. Parent consultation evening appointments will be booked on this app shortly. School will also use this app to send out messages/information.
