Wednesday 12th May 2021

Dear Parents/Carers,

As you know, next Monday 17th May marks the next significant date in the Governments planned 'road map' to recovery. I'm sure that you are all looking forward to life becoming gradually a little bit more normal and being able to enjoy the summer.

To begin to start this process simultaneously at school we are going to begin to make some small changes that we hope will enable us to gradually and safely follow the Governments guidance.

School start and finish times

From Monday 17th May we will be returning to our usual times of:

Morning drop off from **8.50am and doors close at 9.00am**

Afternoon pick up at **3.10pm for all children**

Face masks

Adults in school will not be expected to wear masks, other than in communal areas where social distancing is not possible.

Adults dropping off or picking up children from school will not be expected to wear a mask but are still advised to remain socially distanced wherever possible.

School routines will stay relatively the same for the time being and phase bubbles will still be maintained for play times and lunchtimes wherever the children are in side.

Please be assured that we will keep you informed and if you have any concerns please do come and speak to us.

Yours sincerely

Interim Head of School
