Dear Parent/Carer,

Friday 22<sup>nd</sup> May 2020

### Coronavirus Update

It's been a busy week for Grove House as we continue to make plans to reopen school on the 1<sup>st</sup> June for children in reception, year 1 and year 6 ***should it be safe to do so.***

We are thankful that the community is taking the decision of reopening and safety so seriously. Teachers have been busy working behind the scenes to complete risk assessments for the different areas in schools that we are using. As the school building has been out of use for so long we have to carry out additional health and safety checks. PPE for first aid has also been ordered and we eagerly await delivery of the resources we need. All these things take time and we want to take this time to get it right for both our families and our staff.

As always, we continue to listen to government guidance and updates. There has been huge debate in the media this week over the reopening date; should any information be released that makes us rethink our decision to reopen, our parents will be the first to know. More information will be sent out next week regarding the reopening of school to keep parents informed, including information on drop off and pick up time and school lunches.

Next week should really be half term. During lockdown, teachers have worked tirelessly to keep in touch and set work for home learning. During half term, we will continue to ensure work is available on our online platforms including Purple Mash and Facebook. Teachers however, will not be making as many phone calls home next week but if you need us we are still here and be contacted in the usual ways. Hanson Hub will be operating as usual.

Finally, I would like to wish all our families who are celebrating Eid this weekend 'Eid Mubarak.' I am sure celebrations this year will be very different but I am hopeful that the time we can be with our families again won't be too far away.

Yours sincerely

Miss L Clapham
