We are excited to tell you that we are able to offer your child a residential experience in year 4. This is a fantastic opportunity for the children and something we are confident they will enjoy and gain a lot from.

This residential is a fantastic experience for all involved and has enormous impact on the learning of the children. The visit helps children to develop socially, personally and educationally and is an essential part of the Grove House curriculum. Residential visits have been proven to raise the educational achievement and attainment of pupils.
