14th January 2020

Dear Parents/Carers

Year 4L Trip – Headingley Water Treatment Works

Class 4L will be visiting Headingley Water Treatment Works **on Friday 7th February from 12.15pm to approximately 3.30pm**

The visit will include a presentation and a short tour of the works. The trip links closely to our current topic ‘**What Might Happen in the Future**’ and is designed to give the children first-hand experience of how the water cycle occurs and how we all contribute to it, enhancing their learning back at school.

We would like children to bring a healthy snack with them to eat during the trip. **Full school uniform is required.**

The cost of the visit is £5, which covers the cost of the transport to and from the Treatment Works.

This payment is a voluntary contribution however, should we not receive enough contributions to pay for the trip, we may be forced to cancel.

Please sign and return the permission slip **by Friday 24th January**. Payments must now be made via our online payment system ParentPay.

Yours sincerely

Year 4 teachers
