Dear Parent/Carer,

Secondary School Allocations -September 2020

On Monday 2nd March, you will receive your Year 6 child's Secondary School allocation. I hope you have been successful in being allocated the place you wanted.

If not, DO NOT despair! There are some things you now need to do:

1. Go and see the school you have been allocated. What a school looks like on paper and what it is like in real life are two different things. You may find yourself pleasantly surprised.
2. You have a right to appeal. Remember though, you can only appeal on two grounds.
 - a) That they have made a mistake, i.e. they have used the wrong home address etc.
or
 - b) That the school you have been allocated is unreasonable.
3. If you choose to appeal on the grounds of the allocation being unreasonable, you should state in your appeal form why you want to be allocated your school of choice; NOT why you DON'T want the school you have been given.
4. Are there any special circumstances you believe have not been taken into account? Does your child have additional needs, suffered a recent traumatic event or something that you believe should be taken into account?
5. School can write a supporting letter for your appeal but it will need to be factual.
