

Monday 9th March 2020

Dear Parents/Carers

As a way of fundraising for **2020 Sports Relief**, all children and staff at Grove House Primary have been invited to take part in a special challenge.

On **Friday 13th March**, Grove House Primary will be hosting a Dance-a-thon. Throughout the day, the children and staff will stop what they are doing and show off their best dance moves – even during lessons!

To help get us in the mood, children are welcome to come to school in their favourite dance outfits or sports kit. With a donation of **50p per child** this will help raise money to help tackle issues including mental health, homelessness and child poverty right across the world.

Thank you for your support with this; we hope that the children will have a brilliant day!

Miss L Clapham
Head of School
