Whether or not contracts remain the same, the length of service we have to date if that stays or starts again and whether things would change like maternity leave / allowance and sick pay / allowance - if they say we haven't worked under their umbrella long enough to receive any of these as benefits. I cannot find information like this on the website / in the policy section.

Do our teaching contracts remain the same? Does the length of service we have to date continue or does it start again? What happens if someone goes off on maternity leave, would they be told they don't get any allowance as they haven't worked for Pennine Academies Yorkshire for long enough? The same with sick pay / allowance - if they say we haven't worked there long enough to receive any of these as benefits?
