

Wednesday 8th July 2020

Dear Parents/Carers,

I am pleased to be able to share with you details of who will be your child's class teacher from September 2020.

We know many children may feel anxious about changing classes and starting a new school year. During lockdown, class teachers were able to carry out handover meetings to new teachers ensuring that we are as ready as we can be for the new term on September 7th. We have also tried to arrange staffing this so that each year group has a familiar face they can turn to if needed.

Details of class teachers for September 2020 can be seen in the table below:

It is usual at this time of year that we say farewell to some teachers as well as welcoming new ones and this year is no different. At the end of this term, we say goodbye to Miss Sedman and Mrs Butters who both leave us to take up positions in new schools. Miss Cuddy also leaves us to take up a new position at a school within Pennine Academies Yorkshire. Mrs Hanif will return to Crossley Hall in September. We are grateful for all they have done within school and their dedication to our pupils, especially during these more challenging times.

Over the final two weeks of school more information will be sent out to parents about how school will look in September and our approach to continuing the response to Covid-19. In the meantime, if you have any questions, please contact the school office who will more than happy to help.

Kind regards,

Miss L E Clapham
Headteacher
