

Nursery Home Learning January

First we wish you all a Happy New Year and hope you and your families are all well.

This is the first 'work pack' and we will aim to create one each week until we hopefully return in February.

There is so much learning you already do in everyday life...

Counting the cutlery to set the table

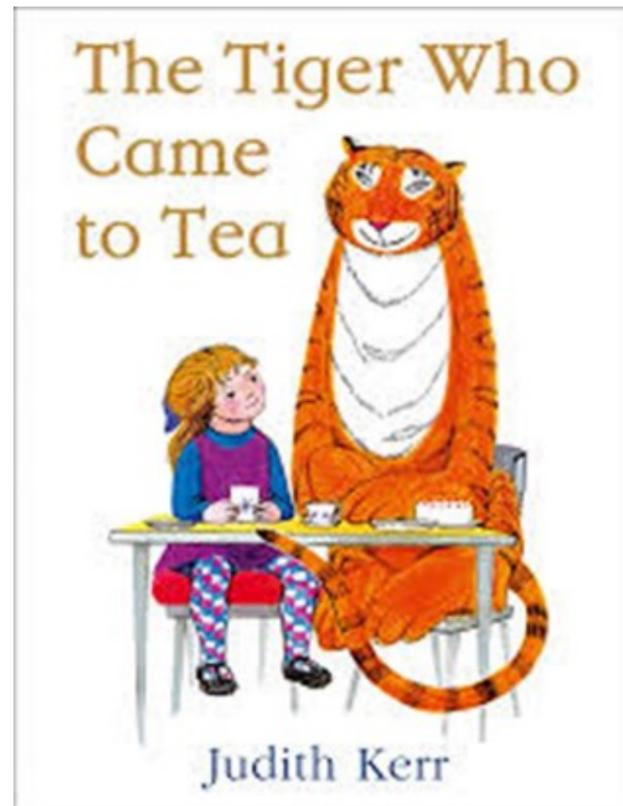

Sorting the washing and matching the socks

Finding numbers on the remote controls!

Our aim is to give you lots of fun ideas to engage your child's interest. You can extend their learning or keep it simple. Just enjoy and be as creative as you can be!

Whilst your child is at home the most important thing is that they are safe and happy.

You should have been sent instructions to use the Google classroom. Here you will find 'story times and singing times for your child to watch. It will be updated weekly.

This is a lovely story about a tiger who comes and has tea with a little girl called Sophie and eats everything in the house!

Then when daddy comes home they have to go to a café for tea!

If you look online/youtube you can find a short film of the story or the book being read.

Families

We want our children to be able to know and talk about family life. Children need to know about their families and their position within it.

Can you help them complete the enclosed booklet.

'My Family and Our Celebrations'

The children can share them with us on our return to nursery. We will then put them into their 'Learning Journals'

It's nice to know special things about our families:

Things they like to do.

Where they like to go, what they like to do.

Special occasions that have happened e.g. Weddings, Eid, Christenings, Christmas and Birthdays!

Photos or drawings will be brilliant to add.

Monday

Read the story—The Tiger Who Came to Tea. Talk to your child and ask-
“Would you like a tiger to come for tea?”

“What would you say to the tiger?”

“What would you choose to eat at a café?”

Tiger Tea - Can you draw a meal for the Tiger in the story? What do you think he likes the most?

You can watch The Tiger Who Came to Tea on Youtube or 4 On Demand.

Home Learning

Week beginning:
11/01/2021

On Friday afternoon, celebrate what you have done in the week. Can you share some of your amazing learning on our school Facebook or Twitter page?

Reflect back on everything you have learnt and give yourself a HUGE pat on the back! Well done!

Tuesday

Scavenger Hunt!

How many things can you find in your house that are stripy?
How many things can you find that are orange?

Can you line up all the things you have found and carefully count them?

Wednesday

A Tiger Tea Party

Set up a real tea party, with sandwiches, buns and biscuits! Then someone can pretend to be the tiger. Maybe you could make a tiger mask using a cereal box or such like.

Thursday

Today you could set up a café and make your own menu with things you and your family like to eat. Draw pictures or cut out of magazines (supermarket magazines are good for pictures!).
