

A guide for parents about
admission arrangements to
Primary Schools

2020-21

Apply online by 15 January 2020
www.bradford.gov.uk/admissions

City of
BRADFORD
METROPOLITAN DISTRICT COUNCIL

Department of Children's Services

Timetable for applications to start primary school for the school year 2020-21

11 November 2019	▶	Online applications can be made by logging on to Bradford Council's website, www.bradford.gov.uk and clicking on 'Online School Admissions'.
15 January 2020	▶	Closing date for all applications. Also deadline for supplementary application forms for Church of England or Catholic schools to be sent to the relevant schools.
16 April 2020	▶	If you have applied online, you will receive an email on 16 April or the next working day informing you which school your child has been offered (unless you opt out of this service). If you applied on a paper form you will be sent a letter informing you which school has been offered.
30 April 2020	▶	Deadline to return acceptance slips and waiting list forms.
18 May 2020	▶	Deadline for the return of appeal forms.
May 2020 onwards	▶	Re-allocations from waiting lists if places become available.
June – July 2020	▶	Appeal hearings take place.

Closing date for applications is 15 January 2020

This deadline is important. If you do not apply by this date, it is unlikely that your child will get a place at your preferred school.

Online applications

You can apply for a school place online from 11 November 2019 by visiting the Bradford Council website: www.bradford.gov.uk/admissions.

There are many advantages of applying online:

- It's quick, easy and secure
- It's available 24 hours a day, seven days a week until the closing date on 15 January 2020, and you can apply from home, work, a library or from your mobile phone as long as you have an email address.
- You will get an email to confirm that your application has been received.
- The system helps you by checking for mistakes.
- You can view your application at any time and make changes up to the closing date.
- There is no need to fill in a paper application form.
- You will receive an email on 16 April 2020 or the next working day to tell you the result of your application (unless you opt out of this service).

Apply online by 15 January 2020 @ www.bradford.gov.uk/admissions

A guide for parents about admission arrangements to primary schools 2020-21

This guide tells you about the primary schools in the district and how you can find out more about them. It explains how we deal with your request for your child to start primary school and gives advice about how you can get financial help with paying for travel or clothing.

If you would like general information about schools, you should contact the schools directly or look at their websites. If you need information about applying for schools, please contact the Admissions Team at the address below.

Admissions Team
Department of Children's Services
Margaret McMillan Tower
Princes Way
Bradford
BD1 1NN

Phone: 01274 439200

Email: primaryadmissions@bradford.gov.uk

If you have any questions about assistance with travel, you can contact the Travel Assistance Team by writing to them at the address shown above, by phoning **01274 439450** or emailing them at **schooltravel@bradford.gov.uk**

The council's website, **www.bradford.gov.uk** gives general information on all the schools in the Bradford area. You may also download a copy of this booklet from there.

You can get advice on free school meals from any Council enquiry office, by phoning **01274 432772** or from the council's website **www.bradford.gov.uk/schoolmeals**

We have used the term 'parent' throughout this booklet to refer to the person or people who are legally responsible for the care of a child.

Before you make your decision, it's a good idea to visit some of the schools, look at the schools' websites or read their individual booklets.

Many schools are popular and oversubscribed so it is important that you are fully aware of the admission process and ensure your application is completed properly and on time. We will do our best to offer you a place at one of the schools you list on your application form. Last year around 98% of children starting reception were offered a place at one of their preferred schools.

This booklet was accurate at the time of publication (September 2019). However, it is possible there could be some changes before, during and after the 2019-20 school year.

Introduction

We have written this booklet for you if you have a child who is due to start reception at primary school during the school year that starts in September 2020. These are children born between 1 September 2015 and 31 August 2016. We hope you find this booklet useful in helping you decide on a school for your child.

We have split the booklet into four sections.

- The first contains general information.
- The second contains policies on admissions (decisions schools make on which children they take).
- The third contains details about every primary school in the Bradford district.
- The fourth contains maps showing schools with priority admission areas.

Although we are responsible for giving out places in most schools, there are a growing number of schools where the school governors decide using their admission policies. You can find details of these in section 2.

Primary schools are for children aged four to 11 (reception to year 6).

Co-ordinated admission arrangements

Under the Education Act 2002, local authorities (LAs) must draw up a scheme which co-ordinates admission arrangements for all primary schools (but not special schools) in their area.

Our co-ordinated admission arrangements make sure that every parent of a pupil living in the Bradford local authority area who has applied for a primary school place during the normal admission round receives an offer of one school place on the same day (16 April each year or the next working day). Each authority exchanges information about any preferences for a school outside the LA in which the pupil lives with the 'home' authority.

You can apply for up to five primary schools on one form (known as the 'common application form') or apply online. The offer of a place is the responsibility of the 'home' authority.

We have fully co-ordinated admission arrangements with Calderdale, Kirklees, North Yorkshire and Leeds authorities. This means that after information has been exchanged, if more than one LA can offer a place at your preferred school, the 'home' authority will offer a place at the school which you have ranked highest.

All parents who applied online will receive their allocation by email on 16 April 2020 or the next working day, all applications made on a paper form will have their offer made by letter.

Types of schools

There are six types of schools in the Bradford district. It is important to know which type of school you would like your child to go to because different people are responsible for making decisions on which children to admit. Either we, as the local authority, or the school governors decide who gets a place. Voluntary-aided, foundation schools, free schools and academies have their own oversubscription rules. These are the rules used when there are too many children for the number of places available at the school.

The following list tells you who is making the decision for the particular type of school. Applications for all schools must be made on the common application form. However, for some church schools you will also need to fill in a Supplementary Information Form if you are applying for faith reasons.

Community schools

These are schools which we provide the funding for. Most primary schools in Bradford are community schools. We are responsible for deciding who is given a place.

Voluntary-controlled schools

Around half of the Church of England primary schools are voluntary-controlled. We provide funding for these schools but they were originally set up by the church. We are still responsible for deciding who is given a place at these schools.

Voluntary-aided schools

All Catholic schools and around half of the Church of England schools are voluntary-aided. We provide funding for these schools but they were originally set up by the church. The governors are responsible for deciding who is given a place at the school.

Foundation schools

We provide the funding for these schools but the governors decide who is given a place.

Academies

There are a number of academies, three of which are 'all through' schools: Appleton Academy, Bradford Academy and Dixons Allerton Academy for pupils aged three to 18. These are independent of the local authority and funded by the Department for Education (DfE). The governors are responsible for deciding who is given a place at the school.

Free Schools

These schools are independent of the local authority and funded by the Department for Education. Any suitable sponsor can make an application to establish a Free School, including parents, teachers, charities, community groups or businesses. They are able to set their own curriculum and set their own admission policies. The governors are responsible for deciding who is given a place at the school.

Applications for all schools must be made on the common application form.

Section 3 of this booklet lists all the primary schools and tells you what type of schools they are.

How do I decide which schools to apply for?

School booklets and websites

Most primary schools have their own website which gives a lot of information on the day-to-day running of the school. Each school also produces a booklet for parents with similar information.

Visiting schools

Before you decide on a particular school, you should visit the schools in your area. While schools welcome visitors, it helps them if you make an appointment first.

Out of school childcare

Many primary schools, community groups and other organisations can look after your child before or after normal school hours. This may be something you want to consider when deciding which schools to apply for. To find out more, phone the Bradford Families Information Service on **01274 437503** or contact individual schools.

Other information to consider

If you would like information on how particular schools are performing, you can get a summary of the latest Ofsted report on their website **www.ofsted.gov.uk**

You can find information on the school's Key Stage 2 SATs results on **www.education.gov.uk** or on the school's website.

Section 3 of this booklet gives you information on the schools in the Bradford district and their contact details.

How does this information help me?

Read this booklet: before you apply for any schools, it is important to get a realistic idea of whether your child is likely to be offered a place. This booklet provides a lot of information to help you, such as:

- a link to the admission criteria for each school (these are the rules under which applicants are considered) and who makes the decisions;
- how many applications there were last year and how the places were allocated;
- the total number of places at the school

A small number of primary schools have priority admission areas. You can find a link to the maps in section 4.

Be realistic: although we will do all we can to give you the school you want, we cannot guarantee a place. Demand for schools varies each year, and the fact that your neighbour was offered a place last year does not mean you can rely on being given a place this year. Many schools are oversubscribed, they receive more applications than they have places to offer. We strongly advise you to apply for five schools and include the one you live closest to or the school in whose priority admission area you live as one of your preferences.

Make your preferences count: You can apply for five primary schools. If you only apply for one school, you will only be considered for that school and will be wasting the opportunity to be considered for any others. You will only be able to put your child's name on the waiting list or appeal for schools that you have applied for. Last year, 98% of children were offered one of their preferred schools.

The school I would like is in another local authority – what should I do? If you live in the Bradford district and want your child to go to a school outside the area, you must still list the school on the Bradford common application form, or apply online to us. If you live outside the Bradford district, you can apply for any of our schools. However, you must apply to your 'home' authority. There is a list of our neighbouring authorities at the back of this booklet. You can also phone admission officers on **01274 439200** for more help.

How do I apply?

You will find a full timetable of important dates on the inside front cover of this booklet. To apply for a primary school place, you must apply online.

You will need to register on the Bradford Council Citizen Portal by adding your child's details to enable you to apply online. A number of schools have access to the online application system and if your child attends the school's nursery they may be able to assist you to apply online.

Applying online means you will receive an email to confirm that we have received your application, you can change your preferences up to the closing date on 15 January 2020 and you will receive an email on 16 April 2020 or the next working day giving you the result of your application.

You should list your five preferences in the order you want them. Once the closing date has passed, you will not be able to apply for any more schools unless your circumstances change significantly (for example if you move house).

Please ensure, if you are applying under the sibling priority or under the medical/social priority, that the details of the sibling(s) are entered in the appropriate place and that any evidence or information regarding the medical or social need is entered. It is important to send any documentation to us, at the time of application as we may be unable to consider evidence if it is late and you may not qualify for a school that you want.

If you are unable to apply online, and your child attends a school nursery please contact your primary school who can assist parents with the online system. Parents can also contact the Admissions Team for assistance and make an appointment to meet with an officer who will discuss the issues and decide if a paper form is required.

The closing date for all applications is 15th January. If you are given a paper form you should not rely on the post to ensure your form is received, you may wish to send it recorded delivery. You should request a receipt if you hand your form in personally.

Supplementary Information Forms (SIF)

All Catholic schools and most Church of England schools will require you to fill in a SIF if you are applying on faith grounds. You must fill in a SIF for each faith school that you are applying for and return them to the school by 15 January 2020. If you do not do so, your child will be considered for a place within the last category of the admission policy. Contact the schools for more advice. SIFs are available from the schools or can be downloaded from the council's website. Please remember that you

must still apply online for a school place. If you are applying for one of the six music places at Dixons Music Primary, you must fill in the school's Supplementary Information Form which you can get from the school or download from the Bradford Council website. If you return the SIF to the school by 22 November 2019 at 3.30pm, your child will be invited to an audition.

Bowling Park Primary School

If you are applying for **Bowling Park Primary School**, you must indicate on the application which of the two sites you would prefer, either the New Cross Street site or the Usher Street site.

How do I fill in the online common application form?

If you need help to fill in this form please contact the Admissions Team on **01274 439200**.

1 Child's details

Child's name and address: This should be your child's legal name and the address at which they live permanently. Where a child lives with separated parents with shared responsibility, parents must decide which address to use for the allocation process. You must not use the address of a relative or child minder. If you have moved or are about to move house, you must send us proof of your child's permanent address.

Current school: This is your child's current nursery (if applicable). Please include the school, nursery or playgroup's postcode if applying on the paper form.

2 School preferences

Name up to five schools you are prepared to consider for your child, in order of preference. Make sure that your first preference is the school you most want for your child, as this is the one we will try to offer you where possible.

Brothers and sisters: Please give details of the youngest brother or sister who is already attending the primary school (not the nursery) that you want and who will still be at the school in September 2020. Include stepbrothers, stepsisters or fostered or adopted children living at the same address as your child because they will be considered as brothers and sisters too.

Reasons for your preference: It is important that you tell us anything that could affect our decision, for example if there are specific social or medical reasons why your child must go to a particular school, you must send us a letter from your child's paediatrician, consultant or relevant professional from Children's Services, as appropriate, by 15 January 2020. This letter would need to explain why the school is the only school to meet your child's needs and why no other school could provide the appropriate support.

3 Children in public care

Only fill in this section if your child is in public care (also known as a 'looked after child'), or was previously looked after but ceased to be so because they were adopted (in accordance with the Adoption and Children Act 2002) or became subject to a residence order or special guardianship order (in accordance with the Children Act 1989). You will need to send evidence of this to the Admissions Team by the closing date.

4 Special educational needs

Only fill in this section if your child has a statement of special educational needs or an Education, Health and Care Plan.

5 Parent or carer details

The application should be made by the parent who the child normally lives with and who has parental responsibility for the child (this means legal responsibility for making decisions about the child's welfare, education and so on). Please include a daytime contact phone number.

6 Private fostering arrangements

If you are looking after some one else's child this could be a private fostering arrangement and the Local Authority need to be notified. Private fostering is an arrangement made by the child or young person's parent or guardian and not the Local Authority, private fostering is when a

child or young person under the age of 16 (18 if the young person has a disability) is looked after for 28 days or more by someone who is not a close relative, guardian, grandparent, uncle, auntie, brother, sister and step-relatives. The Council has a duty to assess and monitor arrangements to make sure the child is safe and their needs are being met. There is a legal obligation that you and /or the parent notify the Local Authority of this arrangement by contacting Bradford Children's Initial Contact Point. Further information is available on Bradford Safeguarding Website and Childrens Social Care Webpages private fostering page.

Contact details:

Children's Initial Contact Point, Sir Henry Mitchell House,
4 Manchester Road, Bradford BD5 0QL
Phone : 01274 435600

7 Declaration

You must sign the declaration to confirm that you have parental responsibility and that the information you have given is accurate. For online applications, you must confirm that the information you have provided is correct. Where separated parents have shared responsibility, only one application must be made and both parents must agree on which schools to apply for and from which address.

If you deliberately give false or misleading information or withhold information that could affect your application, it may result in the place offered being withdrawn. You would then need to re-apply, possibly after all allocations have been made and legal action may be taken.

How do you deal with my application?

When you apply online, you will receive confirmation by email that we have received your application. If you live outside of Bradford, you must apply to your 'home authority'.

If you have applied for a voluntary-aided, foundation school, academy or free school, we will send the details of your application to the governors and they tell us who they are accepting. We also send applications to other local authorities and they tell us which children they can offer places to. For community and voluntary-controlled schools, we look at the applications and use the Council's admission policy to decide which applicants will be offered a place. We also check any supporting letters you have provided that could affect the decision.

Once decisions are made on which school your child can be offered we will write to you. Parents who applied online will receive an email on 16 April 2020 or the next working day. If you filled in a paper form and your child attends a Bradford district nursery school or nursery class within a primary school, the letter will be sent to your home address.

Am I more likely to get a place at my first preference school?

Each school you apply for will be treated as a separate application and we or the governors work out if your child qualifies for a place at each school using the oversubscription rules (see section 2). This means that, for example, if how close children live to the school is an important factor, the children living closest are most likely to be offered places, regardless of the order the school was listed on the application form. The order in which you named the schools only matters if more than one of the schools can offer your child a place. If that happens, we will look at your order of preferences and offer you the school listed highest on the form.

It is important that you list five different schools – asking for just one school or naming the same school several times on the application form will not increase the chances of your child being offered a place there. Also, you cannot appeal or be placed on a waiting list for a school that you have not applied for, unless there is a significant change in your circumstances (for example, you move house).

What happens if I miss the deadline or want to change my preferences?

1 Before decisions about offers are made

If we receive your application after the closing date or if you want to change your preferences, it will only be considered as 'on time' if there are exceptional circumstances such as a house move to a different area, and if we receive it before decisions about offers of places are made (mid February).

2 After decisions about offers are made

In the Bradford authority, parents can apply for five schools. We will not accept any further applications or changes of preference after mid February 2020 unless:

- there are exceptional circumstances (as described above); or
- the late application or change of preference is for an undersubscribed school (a school with unfilled places).

We will not accept any further applications or changes of preference, but this would not prevent you from applying for another school from September 2020 (see 'In-year admissions and transfers' on page 14).

We will send late applications to other admission authorities, but they may not be able to consider them. Please check with neighbouring authorities to see how they treat late applications and changes of preferences.

Does moving house affect my application?

We hold details on our computer records of all children attending a Bradford Authority pre-school setting. If the address you give on your application is different from that which we have on our records, or if you move house during the application process, you will need to provide proof of your house move. Please provide a copy of your council tax bill and a minimum of two additional documents from the following – gas, electricity, phone bill, and child allowance or benefit document in your name or that of your child.

When considering applications, the address we use is the 'child's permanent address at the time of admission'. If you expect to move by September but you are still living at your current address when you apply, we can only consider your application from the new address if you provide the following documents.

- Proof of completion on your new property and a solicitor's letter to confirm the sale of your previous property; or
- A rental agreement on the new property and confirmation of the sale or ending of your tenancy agreement for the previous property.

We will not accept mortgage offers or letters from estate agents as proof. If your house purchase or rental has not reached a stage where you can provide these documents by 14 February 2020, we will consider your application from your current address. However, it is important that you tell us if you move house at any time, particularly during the application process, as it could affect your child's allocation. Investigations will be made if we have reason to doubt where your child lives.

How do you decide who is offered a school place?

Please read the admissions policies by following the link contained in this booklet on page 18.

Please also refer to the individual school websites and ensure you understand which criteria, of the admission policy, you meet and if the school requires you to submit a supplementary information form (SIF). A number of schools give priority to children whose parents are members of Church of England or other Christian faiths and who regularly attend church please see individual policies to see what evidence is required. Dixons Music School would require a supplementary information form (SIF) completing if you are applying for a music place.

Parents should also check the individual school policy to see if priority is given under social and medical grounds and what proof is required, if they wish to apply under this criterion.

A number of schools have priority areas which are used as part of the admissions criteria please refer to section 4 to see which schools have these.

Would you ever withdraw the offer of a school place?

Once we have made an offer of a school place, we would only withdraw the offer in limited circumstances.

These are:

- if you have not accepted the place you have been offered within a reasonable time;
- if you have deliberately made a fraudulent or misleading application (for example, you have falsely claimed that your child's permanent address is nearer to the school, which means that a child with a stronger claim has not been offered a place); or
- if your child has been offered a place by mistake.

What happens if I don't get the school I want?

If we are unable to give you any of your preferred schools, we will offer your child another school with an available place. This may include church schools. We decide which is the most appropriate school, taking into consideration all children without a school place and available bus routes. If you do not apply for a local school and it becomes full, you may find that the nearest

school that has places is some distance from your home.

We will write to you on 16 April 2020 or the next working day to tell you which school your child has been offered. You will need to accept the place by returning an acceptance slip to the school. It is important that you accept or your child may lose the place.

Waiting lists

You can ask for your child's name to go on a waiting list for any schools that you applied for. The list will be made up of any parent who requests it or who appeals.

If any places become available, they will be filled in the same order as the admission policy and not how long the name has been on the list. It is possible for names to fall down the waiting list if other children are added who qualify higher within the admission policy. Waiting lists are generally kept until the end of the school year (July 2021), however, some voluntary-aided, foundation schools and academies keep their own waiting lists and they may not be kept for so long. When we write to you to tell you which school your child has been offered, we will tell you who to contact regarding the waiting list for your preferred schools.

Independent appeals

You can make a formal appeal, to an independent appeals panel for any school that you have applied for.

This is a legal process and places are not 'reserved' for appeal panels to decide which children should be given places. The year group will be full and the panel can only legally consider exceptional reasons why your child should be admitted to the school above the admission number. During any academic year you can only appeal once for a particular school, however you may request a further appeal if your circumstances have changed significantly.

You can get appeal forms from the Admissions Team for most schools except Dixons Allerton, Dixons Music Primary, Our Lady of Victories Catholic Primary, St Anne's, St Anthony's (Clayton), St John the Evangelist, St Joseph's (Keighley), St Walburga's and St Winefride's Catholic primary schools. For these schools you must contact them direct for an appeal form. For schools in other local authorities, you would need to contact the relevant local authority.

If your appeal is unsuccessful, you can contact the Admissions Team on **01274 439200** to discuss what happens next. We expect parents to take up any place offered by an independent appeals panel within a reasonable time, which would normally be by the beginning of the next term.

We urge you to accept a place at the school you have been offered – it will not affect your chances of getting a place at your preferred school either from the waiting list or at appeal. You could also risk your child having no school place in September.

The law on infant class sizes

The Government has set a limit on the size of infant classes, this means that no reception, year 1 or year 2 class can have more than 30 children.

If your child has been refused a place because there are already 30 children in the class, you still have the right to appeal. However, your appeal will only be successful if we have made a mistake or acted unreasonably. The law defines 'unreasonable' as 'completely illogical, or not based on the facts of the case'. In other words, if we have not based our decision on the information in this booklet, how many places the school has, the number of classrooms at the school and other factors to do with the school.

Due to the infant class size law only one in ten appeals are successful.

Can I educate my child at home?

If you prefer to educate your child at home, the law allows this. However, the law says that you must make sure your child gets 'efficient full-time education suitable to her or his age, ability and aptitude and to any special needs she or he may have'.

If you plan to educate your child at home, you must tell us as we have a duty to make sure you do this properly. Please phone us on **01274 439430** or email electiveheducation@bradford.gov.uk

Special educational needs (Primary)

What should I do if my child has special needs?

The majority of children and young people with SEN or disabilities will have their needs met within local mainstream early year's settings, schools or colleges. Some children and young people may require an EHC (Education Health and Care) needs assessment in order for the local authority to decide whether it is necessary for it to make provision in accordance with an EHC plan.

Children with special educational needs have learning difficulties or disabilities that may make it harder for them to learn or access education than most children of the same age.

If your son or daughter has an Education, Health and Care Plan the SEN Assessment Team will write to you to explain the process and enclose a preference form. You are also encouraged to complete the Common Application form which will ensure that your preferences are lodged with the local authority. In all other cases please complete the Common Application Form.

Early Years Enhanced Specialist Provision have extra resources to meet the needs of young children with severe and complex special educational needs, complementing the arrangements in special schools. The four specialist provision centres in the Bradford district are:

- Abbey Green Nursery School, Green Lane, Bradford, BD8 8HT (phone: **01274 722070**)
- Canterbury Children's Centre, Basil Street, Bradford BD5 9HL (phone: **01274 574539**)
- Strong Close Nursery, Airedale Road, Keighley BD21 4LW (phone: **01535 605272**)
- St Edmund's (Girlington) Nursery and Children's Centre, Washington Street, Bradford BD8 9QW (phone: **01274 543282**)

All Children's Centres and private, Voluntary and Independent Sector providers will support the early identification of children with special educational needs and offer services for them and their families, in line with the SEND code of practice.

A small number of schools provide specialist facilities for children who have special educational needs, called 'Designated Special Provision' (DSP) and Additional Resourced Centres (ARC). These schools employ specialist staff who can meet the needs of specific groups of pupils. The children are supported within the school wherever possible, and they also receive intensive support in small groups when needed.

Schools which have 'Designated Special Provision' are:

- Carrwood Primary School (for pupils on the autistic spectrum)
- Cottingley Village Primary School (for pupils with social, emotional and mental health needs)
- Crossflatts Primary School (for pupils on the autistic spectrum)
- Crossley Hall Primary School (for pupils with autism spectrum)
- Denholme Primary School (for pupils on the autistic spectrum)
- Green Lane Primary School (for pupils with speech and language difficulties and autism spectrum)
- Haworth Primary School (for pupils on the autistic spectrum)
- High Crag Primary School (for pupils with speech and language difficulties)
- High Park School (Learn and Play for pre 5 children with communication and interaction needs)
- Long Lee Primary School (for pupils with social, emotional and mental health needs)

Girlington Primary School and Swain House Primary School have Additional Resourced Centres (ARCs) which can meet the needs of deaf and hearing impaired children.

Grove House Primary School has an Additional Resourced Centre which can meet the needs of visually impaired children.

In some cases a child's special educational needs cannot be met in a mainstream school. Bradford has a number of special schools. You can find details of these in section 3. Contact the Special Educational Needs team on **01274 435750** for more information.

The Bradford SEND (special educational needs and or disabilities) Local Offer is a new way of giving children and young people with SEND including behaviour and mental health birth to 25 years and their parent carers information about what services, activities and support is available in the area you live. It will make it easier to find out what you need to know, when you need to know it. The Bradford Local Offer has been developed by children, young people, parents and carers living in the Bradford district. To view the Bradford SEND Local Offer visit www.localoffer.bradford.gov.uk or telephone **01274 439261**.

If you would like independent advice about special education needs provision and the decisions affecting your child in school, contact Barnardo's SENDIASS (Special Educational Needs and Disabilities, Independent Advice and Support Service) on **01274 513300**.

What can I do to help my child succeed at school?

Planning ahead for your child

Your child will probably be both excited and anxious about starting school. This is normal. Some children may need more support in managing change and challenge at this time. You, your child's nursery and your chosen primary school can help to prepare your child for this change. We produce a pack of guidance, information and sources of support for schools so that they can help the more vulnerable children.

Attendance

Your child must go to school regularly so she or he can learn, achieve and make friends. Even if your child only misses school occasionally, it can affect their work. It is your responsibility to make sure that your child goes to school regularly and on time. It is really important that your child builds up a good pattern of attendance early in their primary school. Good attendance at school will help your child to achieve.

Holidays in term-time

You should take family holidays or trips abroad during the school holidays. If you have to take holidays during term-time, you must ask permission from the Head Teacher. Schools will take into account your child's attendance and academic progress and may, in exceptional circumstances, give you permission for up to two weeks' absence. If you

take your child on holiday in term-time without the school's permission, you may be fined.

The school may take your child off its register if they do not return on the agreed date. This means you would need to apply again for a place for your child when they return. There is no guarantee that they will be able to continue at the school. You may have to apply for a place for them at another school, which will disrupt their education.

In-year admissions and transfers

What if my child wants to transfer to another primary school?

Transferring schools, other than at normal transition times, can be very disruptive to your child's education and is not recommended. If you want to apply for admission into any year group after 1 September and at any other time during the school year, you must fill in an 'in-year application form'.

In Bradford, children can only change schools at the start of a full term unless there are special reasons.

In-year application forms are available from schools, from the Admissions Team or can be downloaded from the Bradford Council website www.bradford.gov.uk. If applying for any Catholic school please contact the school direct.

Fair Access Protocol

All local authorities must have a Fair Access Protocol to ensure that access to education is secured quickly for children who have no school place. Children who are dealt with under the protocol are likely to be the most vulnerable or present challenging behaviour and who cannot reasonably be managed through the normal admissions process. Children admitted through the protocol may be placed in a year group which is full and will take precedence over other children on the waiting list. It is the local authority's decision to determine which children are dealt with by the protocol and therefore the procedure falls outside the normal admission arrangements set out in this booklet.

Early years education

We have to make sure that there is free part-time early years education for all three and four year olds whose parents want them to receive it. These places could be in nursery classes at primary schools, nursery schools, day nurseries, playgroups, pre-school, childminders, out-of-school childcare providers or reception classes (for four year olds only).

Children are entitled to 15 hours a week funded universal entitlement from the term after their third birthday until they start reception in primary school. Some children of working parents are eligible for additional 15 hours funded this is known as the 'Extended Entitlement' or the 30 hours free childcare. This entitlement may be taken at more than one setting. Some funded providers are also able to offer flexibility in the length and timing of the sessions they provide.

In order for parents to see if they are eligible for the 'Extended Entitlement' they must apply for a place with HMRC. Visit the government Childcare Choices website for further information.

Some two year olds are also entitled to free early education places. Parents can check if they are eligible by visiting www.bradford.gov.uk.

To find out more about registered early years settings which provide free or partly funded early education, phone

Bradford Council on 01274 437503 or visit the council's website at www.bradford.gov.uk

Nursery schools and nursery classes

You can apply for a nursery place for your child using a standard nursery application form which you can get from any nursery or primary school that has a nursery class. Unlike primary schools, however, if your child is not offered a place, you cannot appeal against this decision.

Headteachers decide whether to offer your child a nursery place and they follow Bradford Council's nursery admissions policy.

If you wish to apply for an offset, regardless of the reason, you should apply by 15 January 2020. Guidance is available at <https://www.bradford.gov.uk/education-and-skills/school-admissions/admission-of-summer-born-children/>

If your child goes to a nursery class at a particular school, we cannot guarantee that they will get a place in the main school. Admissions to reception are dealt with separately and children who attend the school's nursery are not given priority.

Financial help

School meals and clothing

Bradford Council no longer provides a school clothing allowance for low income families. Bradford schools have now taken on the responsibility for providing parents with support for this where appropriate. How schools provide this support will vary from school to school, so parents should contact the allocated school for more information.

From September 2014 all children in reception, year 1 and year 2 in state-funded schools will receive free school meals. However, if you receive benefits, your child may be entitled to free school meals no matter what year they are in. Families should apply if they get any of these benefits:

- Child Tax Credit, (but not Working Tax Credit) and have an annual income (as assessed by HM Revenue & Customs) that does not exceed £16,190
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- The Guarantee element of State Pension Credit
- Support under Part VI of the Immigration and Asylum

Act 1999. (You will need to apply directly to the school to receive this benefit.)

- Working Tax Credit can be paid for 4 weeks after you stop qualifying for Working Tax Credit.
- Universal credit with an annual net earned income and threshold of less than £7,400.

You should make your application after you have received your allocated school place. If you have other children currently receiving free school meals you should still make a new application for any siblings starting school for the first time.

You can visit www.bradford.gov.uk/schoolmeals to make an application or see more contact details on page 3.

Your child's journey to school

Key points to remember:

- Make sure you read and understand the Home to School Travel and Transport Policy for Children of Compulsory School Age if entitlement to school transport is important to you.

- School priority admission areas are not relevant to transport eligibility.
- Transport is generally only provided to the nearest available qualifying school where the distance criteria is met.
- The Council uses a GIS measuring system, no other measurement is valid.
- The priority area school for your address may not be the nearest school.
- It is vital you carefully consider the transport implications before you make your application for a school place.
- Please contact us if you need advice.

Home to school travel assistance

You should consider carefully how your child will get to and from the school(s) you apply for before you make your application for a school place.

Children will only be entitled to free travel assistance if there is an entitlement under the Council's Home to School Travel and Transport Policy for Children of Compulsory School Age. If a sibling or other local child is already in receipt of transport to a school, **this does not guarantee** that a new child will automatically qualify for transport to the same school. The policy criteria must be met in all cases.

Where there is no entitlement to travel assistance from the Council, parents are fully responsible for all financial costs and transport arrangements for their child.

The full Home to School Travel and Transport Policy for Children of Compulsory School Age can be found on our website <https://www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college/>

Please note that entitlement to travel assistance will not be assessed on the basis of priority admission areas or where travel assistance has historically been provided. Applications are assessed against the following criteria.

Bradford Council in accordance with its statutory duty, will provide free home to school assistance for children of primary school age to the 'nearest available suitable qualifying school' to their home address, if:

- they are between 5 and 7 years of age and live beyond 2 miles from the school
- or are between 8 and 11 years of age and live beyond 3 miles from the school

It is important to note that the 'priority' school for your address may not be the nearest school.

Bradford Council will measure using the shortest walking route to calculate distances to establish which is the nearest 'suitable qualifying school' to a child's home address. We determine your nearest 'suitable qualifying school' with places available at the time of allocation. If you apply outside of this time, because for example you move

address; we will determine it at the time of the application. The Council uses a Geographical Information System (GIS) to measure and calculate home to school distances.

The measurements produced by the Council's GIS are the definitive distance calculations that the Council will use to determine travel assistance eligibility.

For children from low income families, the policy is extended to provide travel assistance to children who are aged over 8 and under 11, registered at their nearest qualifying school more than two miles from home. Children from low income groups are defined as those who are entitled to free school meals.

Once eligible for assistance with travel because of low income, your child will receive assistance for the rest of the school year, subject to there being no other changes that may affect eligibility, such as a house move or change of school.

Unless the low income criteria are met, travel assistance will not be provided to a school if:

- There is any nearer school to the home for which a parent did not apply on the original admission application
- There is any nearer school which was listed as a lower preference on the original admission application
- The parent has rejected an offer of a place at any nearer school

What is the nearest school for transport purposes?

Any parent who wants to find out which school the Council considers to be their nearest school for transport purposes should send an email to schooltravel@bradford.gov.uk.

The email should state the child's name and address, asking what the Council considers to be the nearest primary school for transport purposes to that address.

Points to remember

- An offer of a school place does not guarantee free school transport even if you live beyond the statutory distance from the school you have been offered, even if it is your priority admission area school.
- Before you apply for a school place and for travel assistance you should read the information made available to you in this booklet and the full travel assistance policy on the website: <https://www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college/>

If your child does not qualify for free travel assistance you may be able to purchase a bus pass. You can find bus and travel pass information at <https://www.wymetro.com/schools/>

Entitlement for children with additional needs

Children who are unable to walk to school because of their special educational needs, disability or temporary medical condition may qualify for assistance. The Council is working with parent groups, schools and SEND professionals to change the way we deliver school travel for children with additional needs. You will need to give full details on the application form and your application must be supported by specialist advice relating to the medical or behavioural needs of your child and after consultation from the school and other agencies involved in your child's wellbeing.

Travel provision

If your child qualifies, we will usually give them a 'smart card' to travel free on the bus or train for one journey to and from school each day. If your child has additional needs and is unable to travel independently by bus or train, we may provide an escort or travel training to encourage independence, a personal budget, dedicated or specialist transport. For more detailed information on assistance with travel to school, visit the Bradford Council website, <https://www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college/> or contact the Travel Assistance Service on 01274 439450 or email schooltravel@bradford.gov.uk

Fares and passes

Reduced fares are available to pupils in full-time education travelling on all trains and most buses displaying the Metro

symbol. Five to 18 year olds can buy a School Plus Ticket for travel on most buses (but not trains) at any time of the day including evenings and weekends.

For more information about reduced fares and bus and train times, phone Metroline on **0113 245 7676**, open 8am to 8pm, seven days a week or visit the Metro website: <https://www.wymetro.com/schools/>

How and when to apply

Complete the application form that best meets your child's circumstances:

For those wishing to apply for a bus pass please download an application form from: <https://www.wymetro.com/schools/>

Those children with special educational needs, a disability or temporary medical condition can now apply online or download an application form from;

<https://www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college/> or request one from the Travel Assistance Service at schooltravel@bradford.gov.uk.

Most people apply when they have their school place confirmed. Application forms should be returned by the last Friday in May in order for us to process your application for the term starting in September.

Questions to ask during a visit to school

- How is the school organised to support my child in:
 - staying safe?
 - being healthy?
 - enjoying and achieving?
 - making a positive contribution?
 - achieving a feeling of well-being?
- What does the most recent Ofsted report say about the school?
- How does the school group children together, and how many children are there in a class?
- How are parents encouraged to support their child's learning?
- How does the school communicate to parents?
- How does the school provide for those children with different needs, such as particular abilities or particular disabilities?
- What are the school's policies in areas such as sex education, equal opportunities, religious education, collective worship (assemblies) and special educational needs?
- How are parents expected to support the school's policies on discipline and behaviour?
- How does the school deal with issues of bullying?
- What activities and out-of-school care are available?

Points to look for when you visit with your child

- How am I greeted when I arrive at the school by staff and pupils?
- Do I feel the school considers my visit important?
- Can I visit all the areas I feel are important?
- Have I had the chance to speak to individual members of staff?
- Are there displays showing pupils' work and how the school works?
- Do I feel that the pupils are happy at the school?
- How does the school work with nurseries,

early years' settings and parents to plan ahead for starting school?

Questions to ask yourself

- What are the chances of my child being offered a place at this school?
- Will my child be with children from the local community?
- Is there a bus service to and from the school?
- Have I talked to my child about how he or she feels about starting school?
- Do I want to be actively involved in the life of the school?
- Do I feel confident that the school will provide the education I want for my child?
- In what practical ways can I help my child prepare for starting school?

After visiting the school and reading the school booklet, think carefully about what you have found out. You may want to visit a few schools before you make your final decision.

School Admissions Policies

Entitlement

All three and four year olds are entitled to a free early education place before they reach statutory school age (the beginning of the school term immediately following the child's fifth birthday).

Children are admitted into Reception in the September following their fourth birthday. Parents can request that the date their child is admitted to the school is deferred until later in the year or until the term in which the child reaches compulsory school age. Parents can also request that their child takes up the place part-time until the child reaches compulsory school age. The admission criteria will apply to all children seeking a school place, whatever their term of entry. The place offered will be reserved on condition that it is taken up within the same school year.

Admissions of summer born children may be deferred to the following September but in those cases children will be offered a place to enter Year 1. The Local Authority will consider any application for a deferred entry into Reception of summer born children for the September following their fifth birthday. Such requests will be considered in accordance with the Local Authority's 'Guidance on the admission of summer born children' and DfE Advice.

Children attending a school's nursery are not guaranteed a place in the reception class and a separate application must be made.

If you wish to apply for an offset, regardless of the reason, you should apply by 15 January 2020. Guidance is available at www.bradford.gov.uk/education-and-skills/school-admissions/admissions-of-summer-born-children/

Children with an Education, Health and Care Plan (EHCP)

The admission of pupils with a statement of special educational needs or EHCP is dealt with by a separate procedure. Such children will be admitted to the school named on the EHCP without reference to the oversubscription criteria below.

Twins and siblings from a multiple birth

Where a family of twins or multiple births children request admission and only one of the siblings can be offered a place, the remaining sibling(s) will also be offered places above the admission number.

Admissions to Catholic primary schools

The following explanatory notes apply to the admission policies of all Catholic primary schools:

Catholic means a member of a church in communion with the See of Rome. A certificate of baptism in a Catholic church, or a certificate of reception into the full communion of the Catholic Church, will normally evidence this. This includes the Eastern Catholic Churches.

Looked After Child has the same meaning as in section 22 of the Children Act 1989, and means any child in the care of a local authority or provided with accommodation by them (e.g. children with foster parents).

Defined area or parish boundary is a geographical area. Please see boundary maps available for inspection in school (boundaries determined by the Diocese of Leeds).

Siblings (Brothers and Sister) include children with brothers and sister (including step-siblings, adoptive siblings and foster siblings) of statutory school age, living at the same address, in attendance at the same school on the date of admission.

Live: In all categories "live" means the child's permanent home address. A child is normally regarded as living with a parent or guardian and we will use the parent or guardian's address for admission purposes. You cannot lodge a child with a friend or relation in order to gain a place at a school. For admissions purposes only one address can be used as a child's permanent address. When a child lives with more than one parent/carer, at different addresses, we will use the preference expressed by the parent/carer at the address where the child lives the majority of the time during the school week as the main place of residence.

Random Allocation: this is only to be used when the last place to be offered is to children living in a block of flats or children who live equidistant from the school using the distance criterion. An independent person will be used to make the random selection

In-year applications for Catholic schools: applications outside the normal admissions round (in-year) should be made to individual schools and will be dealt with by the school governors.

Please use the following links to view the schools priority areas <https://www.bradford.gov.uk/education-and-skills/school-admissions/school-priority-admission-area-maps/>

Shape our future

Become a school governor

If you have:

- an interest in our children's future
- a desire to make a difference
- time and energy
- a readiness to accept responsibility
- an ability to work in a team

then you have what it takes to join the largest volunteer group in the country, working with others to get the best for our children.

Governors are people like you!
