You can also practice your times tables on TT rockstars, how quick can you be?

Also you can use MyOn to jump into a fantastic new book. Don't forget about your video call on Google Classroom, and the videos of the book chapters.

Monday - Art

This half term we will be looking into another artist from Yorkshire. Geraldine Thompson. Geraldine is an artist whose works include portraits, landscapes and still life paintings. She often takes inspiration from her surroundings of Wharfedale, creating landscape painting through mark making. Using the picture above we would like you to compare two of Geraldine Thompson's paintings finding similarities and differences between them.

Please find a sheet to help you complete this work in your work pack.

Science - Tuesday

This week we will look into the process of photosynthesis and the importance of each part of a plant.

We would like you to label the parts of the plant and then write a sentence to describe the job of the part in the process of photosynthesis.

To help you, you can watch a video from BBC Bitesize: What is a Plant?

Please find a sheet to help you complete this work

Home Learning

Week Beginning
22nd February

Wednesday - Geography

To locate the Amazon Rainforest, the UK and the equator on a blank map of the world and draw comparisons between the UK and the Amazon Rainforest using information they have learnt and aerial views.

Draw to a conclusion and answer the question, where would you prefer to live? The Amazon Rainforest or the UK?

Please find a sheet to help you complete this work in your work pack.

Thursday - Assembly

Each week, one of your teachers will record an assembly and put it onto your Google Classroom. Watch the assembly and complete the follow up task given at the end.

Google Classroom can be downloaded as an App on Smart phones, Xbox and PlayStation.

Remember when you are taking breaks you can use CBBC and BBC I-Player to watch different lessons delivered by celebrities.

Friday

On Friday afternoon, celebrate what you have done in the week. Also check Google Classrooms for our Always Assembly.

Can you share some of your amazing learning on our school Facebook or Twitter page?

You can upload your work to Google Classrooms or email your work to us:
