## **Celebrations**

Dear Parents and Carer,

Last year we sent out an online survey to everyone asking what festivals you celebrate as a family. We have correlated all the responses and have created a 'Celebration Overview'. All children across school will be invited to an assembly to learn about each celebration and we will follow this up with activities in classes.

We would love for some of our parents or carers to come into school to share their experiences of these festivals. If you have any photographs of your families celebrating we would love to see them and share them with our other pupils. Please email these to: [office@ghps.paymat.org](mailto:office@ghps.paymat.org) with a short paragraph explaining what you are celebrating.

If you feel any celebrations have been missed please do come and speak to us. We feel it is really important that our pupils celebrate the diverse nature of our community. As always, thank you for your support.
