

Dear Parent/Carer,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 2 February 2024**.

The NSPCC protects children today and makes a better tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

On the day -

- We are taking on Buddy's Key Challenge in our classes.
- We are working to solve exciting maths puzzles in our classes, against the clock with Buddy, the *Speak out. Stay safe, mascot*.
- We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. Your child will be shown examples in class, but they include writing numbers on a blank shirt, drawing a calculator on a piece of cardboard and wearing it, dressing up as a number blocks character etc.! The most creative outfit in each year group will win a prize!

Safe fundraising

Please send in a donation to support NSPCC's work in a sealed envelope, which can be brought in on the day. Any contribution will be appreciated; we are suggesting a donation of 50p - £1.

All the money we raise will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Best wishes,

Mr Wickett
