

Maths: We will be learning about multiplication and Division this half term.

We will also be practicing our multiplication and division facts for the 2 x table and relating this to doubles and halves of numbers to 20.

The link below provides videos with example questions:

Science:

In science this half term we are looking at the uses of everyday materials. Things you could do at home:

Identify different materials around your house.
Make a model from junk materials seeing how many different materials you can use on one model!

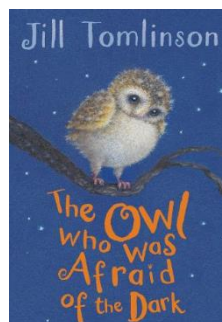

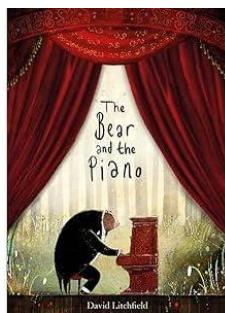

Geography

This half term in Geography we will be learning about the 5 continents and 7 oceans of the world. Here are some things you could do at home to support this learning:

- Watch the 7 continents song on YouTube:
