

Maths:

In maths this half term we are learning about fractions. We are also practicing counting in 10s and writing numbers to 100.

Things you can do at home:

Practice your arithmetic skills on the Emile maths game! <https://emile-education.com/app-downloads/student-log-in-access-app-or-online/>

Practice doubling/ halving on top marks.

<https://www.topmarks.co.uk/Search.aspx?q=doubling%20and%20halving>

Science

In science this half term we are learning about plant growth. At home you can:

Have a go at planting some seeds and watching them grow!

Name different plants/flowers in the local park or your garden.

History

In history this half term, we will be looking at the *Great Fire of London*. We will discuss how the fire started and how things have changed since the fire.

Things you could do at home to support

- Gather books from the library about *The Great Fire of London*
- Look at maps of London
- Bring in any pictures of London if you have visited

Our class text(s):

Can you read any other books by these authors? You can register for a free library card at Eccleshill library!

Year 2 Summer 1

Spellings: Pick 5 words each week to practise!
Weekly spellings are also set on spelling shed.

door	everybody	improve
floor	even	sure
poor	great	sugar
because	break	eye
find	steak	could
kind	pretty	should
mind	beautiful	would
behind	after	who
child	fast	whole
