

Maths:

This is what we will be learning this half term in maths:

Statistics

Decimals

Shapes

Use the links below to access support videos and questions. Select the year group, select spring term and select the topic.

Geography

We are learning about North America, specifically the USA. We will look at the continent of North America and where the US is located. We will look at California and Mississippi in detail and find out about the human and physical features of the USA and how the land is used. There are some useful links below:

Our class text(s):

Can you read any other books by these authors? You can register for a free library card at Eccleshill library!

Year 5 Summer 1

Science: Our science topic is Life cycles.

We will be studying how plants reproduce and learn about the life cycles of mammals, birds, insects and amphibians.
