2nd May 2024

Dear Parent/Carer,

SATs are fast approaching and we are so pleased with the hard work that the children are displaying in class. It is important that they prepare for an important week. We would like to take the opportunity to remind you of the following:

- School is closed for 6th May - Bank Holiday Monday. Please continue to offer learning support for your child on this day so that they aren't missing learning so close to the SATs. Children will be bringing home a revision pack.
- SATs breakfast club at 8.15 Mon 13th May – Thursday 16th May 2024. Please ensure that your child attends this. It is a vital part of ensuring your child is relaxed and ready for the test that day. There is no cost for this.
- Please support your child with online learning as often as possible in these final days. The children can access Century Maths and Monster SATs at home at any point during the day.
- Ensure good routines are in place in preparation for SATs week – e.g. appropriate bed times and minimising late screen times!

Kind regards,

Mr C Wickett
Assistant Headteacher
