

Pennine Academies Yorkshire

Trust Talk Sessions

These sessions present an opportunity for any parent of any school to meet with the Chief Executive and or Members of the Central team to give feedback on hot topics for academies. They are not for parents to pursue individual complaints as these would be dealt with via individual schools and their complaints policies. They do however provide an opportunity for parents to give feedback on topics such as – Quality of School Meals, Relationships Education, Home School Communication, School Ethos, Inclusion, Developing Local Links, Pupil and Parent Voice.

Parents/Carers may book individual time slots to feedback by emailing: trusttalk@paymat.org
