Dear Parents/Carers,

National Moving Up Day/ New Teacher

We wrote to you a few weeks ago to inform you of some staffing changes and to let you know who your child's teacher will be next year. Since then there has been a slight change in the plan as Miss Ali (Year Three) has secured a teaching role working in Qatar - this is very exciting! Luckily for us we have managed to recruit Miss Parveen to teach in Year Three. Miss Parveen has been working in school over the last year as a student teacher and we can't wait for her to start.

Transition to new classes

This year we are adapting our transition process to ensure that all children have enough time to meet their new teacher, visit the classroom and ask questions to help ease any anxieties they - and their parents- may have.

On **Wednesday 3rd July 2024 please drop your child at their new classroom door**. Teachers will be on the door ready to welcome them. We want children to know where their new doors are to avoid worries on the first day back in September. The children will spend the morning in these new classes and then return to their class. You will pick them up from their normal doors at hometime.

Your child's new teacher will then spend some time with them in their classes, reading stories or looking at next year's topics to build relationships in a familiar environment.

I hope this will also help parents to feel less anxious about changes in September. If you have any questions, please contact the school via the office, and ask to arrange to meet with myself or another member of the senior leadership team to discuss.

The information below indicates who your child's teacher will be in September.

Year 6

Secondary schools should have been in touch to arrange transition - please follow their instructions regarding timings and where to drop off. If Year Six children are not transitioning on the 3rd July they will come into school as usual.

Kind regards,

N. Wade

Miss Wade

Deputy Headteacher & SENDCo
