

Maths:

In maths we will be looking at place value. We will learn number bonds, fact families and how to add and subtract across a 10.

At home you could:

Practice counting fluently

Use the internet to play some maths related games such as:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

most	class	busy
only	grass	people
both	pass	water
old	plant	again
cold	path	half
gold	bath	money
hold	hour	Mr
told	move	Mrs
every	prove	parents

Science: This half term in science, we will be learning about humans and the 5 different food groups. We will also begin to look at animals needs for survival.

At home you could:

- Pick out foods at home and tell your grown-ups which food group they are from.
- Design your own healthy food plate
- Visit a local zoo/park and see what animals you can see and which group they belong to.

Geography

This half term we will be learning about what makes Bradford special. We will be using globes and maps to locate Bradford and sketch our own map!

At home you could:

- Use google maps to locate different landmarks in Bradford.
- Visit different places in Bradford.

PSHE: In PSHE we will be looking at families and relationships. We will also explore change and loss and how it can affect us.

Important information:

2P will need to wear PE kit on Tuesdays.

2L will need to wear PE kit on Thursdays.
