

Maths

We will be learning about Number and Place Value.

We will explore how we can partition numbers up to 10,000 and learn how to add and subtract them, and round them to the nearest 10, 100 or 1000.

Here you will find supporting videos with practise questions.

PSHE

In PSHE this half term, we will be discussing how we can build strong, healthy relationships with our families, friends and other people in our lives.

Science

This half term in science, we will be discovering Living Things and Their Habitats. We will explore how animals can be sorted and classified into different groups, and see what impact humans and natural disasters can have on animals and their environments. Here are some ideas to get you started at home:

- Go on a local walk and see which animals and plants you can find.
- <https://explorify.uk/teacher-support/science-teaching-support/living-things-and-their-habitats-explore-with-your-class>

History

This half term we will be learning about the Ancient Egyptians. We will delve into the daily lives and beliefs of the Egyptian people, searching for similarities and differences between them and us. Here are some links to inspire you:
