### PSHE:

Children will learn about family and relationships. They will learn what respect is and how they should be respected, that everyone can expect a level of respect but this can be lost and how stereotypes influence our ideas and opinions.

### History

We are learning about the Ancient Greeks and the lasting impact their civilization has left on the world. We will look at the creation of democracy and the Olympics, comparing the similarities and differences of both in ancient and modern times. Children will learn about renowned Greek heroes such as Alexander the Great and explore how we know so much about a time period that was so long ago.
