Science:

In science this half term we are learning about the uses of everyday materials.

At home you could:

- Find things in your house made from wood, glass, plastic, cardboard, paper, rubber and metal.
- You could go to the library and find books about materials!
- You could use the internet to play science related games such as:

<https://www.bbc.co.uk/bitesize/topics/zrsgk7/articles/zvpysk7>

History

This half term we will be learning about the Victorian Era! We will look at when the era started and ended, who reigned and what life was like for children.

At home you could:

- Go to the local library and find books about the Victorian era.
- Visit some major landmarks such as St George's Hall, the Bradford Club, the Wool Exchange, and Little Germany to see some Victorian buildings!

PSHE:

This half term we are looking at Health & Wellbeing. At home you could talk how to keep healthy.

Important information:

Yorkshire Sculpture park trip **4th December 2024**

Please make sure your child has a water bottle and a book bag to bring a reading book home in.

Reading books are changed every Friday.
