

LEARNING IN RECEPTION

WEEK COMMENCING 13-1-25

Maths - White Rose Maths

Alive in 5

https://www.youtube.com/watch?v=0kWAGGBd_Zs

The children will be learning to subitise numbers to 5, show 5 in different ways and know 1 more/1 less.

Focus Language

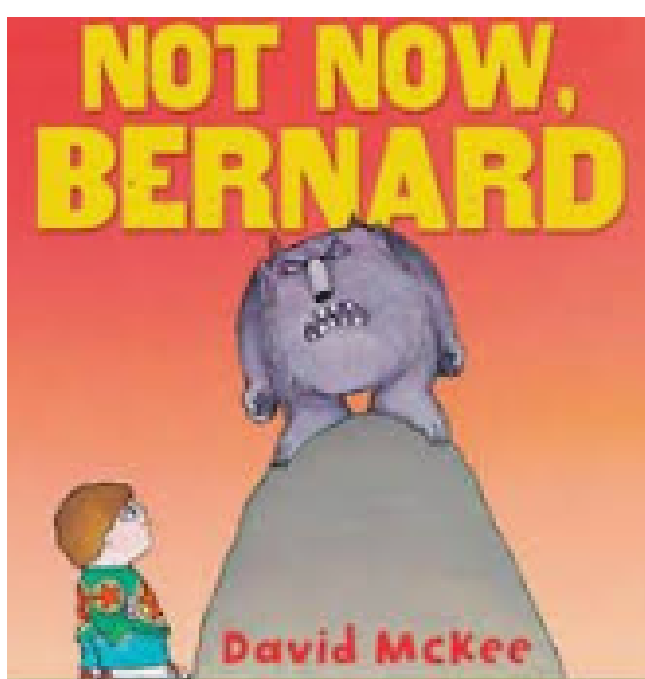

There is/ are... dots altogether.

I can see... without counting.

I can subitise...

Drawing Club

This week our Drawing Club focus text will be **Not Now Bernard**

Can you read any more stories by David McKee?

Words of the Week

Gobble

Destroy

Astonished

fearsome

Circle Times - Winter

We will be investigating naturally occurring events in Winter. We will discuss why we need to wear hats/scarves in Winter. What do we notice about the water outside when it has been a cold night? Why can we see our breath when it is very cold? What could be causing this?

Things you can do at home.

- Scan the QR codes to practise your phonics.
- Go on a Winter walk if you can. What has happened to the grass? Can we see any wildlife? Why not? Where might they be?
