Addition and Subtraction

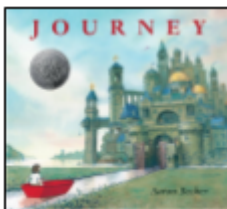

Multiplication and Division

Here you will find supporting videos with practise questions.

Also we will be working on our 3, 4 and 8 times tables – please practice at home.

Our class text(s):

Can you read any other books by these authors? You can register for a free library card at Eccleshill library!

Year 3
Autumn 2

Science: This half term in science, we will be learning about Forces and magnets. Having a go at manipulating different objects using push, pull and twisting motions. We will also be experimenting with different magnets in class. Here are some links to have a look at:
