

Maths:

This term, we will begin to recognise numbers as words and count on from any number within 10. We will also count backwards within 10. In addition to this, we will introduce parts and wholes using the Part Whole Model. In Year 1 we will also be focusing on addition and subtraction within 20.

Our class text(s):

The Gruffalo

Little Red Riding Hood

Can you read any other books by these authors? You can register for a free library card at Eccleshill library!

Spellings: Pick 5 words each week to practice! Weekly spellings are also set on spelling shed.

one	I	The
to	has	was
he	there	house
once	some	he
she	they	put
put	here	full
come	your	his

Science: We are going to be learning all about the different seasons.

At home you could:

Observe the trees and how they change

Read a book about the different seasons

Create some art work to show the 4 seasons

Year 1
Autumn 1

PSHE: This term, we will be focusing on understanding the families and individuals who look after us, all while recognising the importance and characteristics of positive relationships and friendships, with the people around us.

Geography: This term, we will use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key use simple fieldwork and observational skills to study the geography of Grove house Primary School and its grounds and the key human and physical features of its surrounding environment.

What can you discover about the human and Physical features surround our school? It may be helpful to use Atlases and maps to locate and identify Grove House Primary School before the lesson. It may be useful for children to see these places in real life!

Important information:

1J PE is on a Wednesday

1B PE is on a Monday

All children must bring a book bag to school and a coat everyday.
