September 2026 Update

Dear Parents/Carers,

A few weeks ago we shared staffing and began the work around transition. Unfortunately, due to unforeseen circumstances we are having to alter where some teachers will be teaching. We understand that this is difficult and it is not a decision we have made lightly.

The children will be spoken to today and we have planned additional transition sessions throughout the end of the term. Below I have attached the updated staffing structure.

The information below will help you see who your child's teacher will be in September. The leadership team responsibilities have also been listed. If you have any worries, queries or concerns please speak to your child's class teacher and then phase leader if you feel you need more support.

If you have any questions, please contact the school via the office.

Kind regards,

N.Wade
